MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Dulles Papers

1. [REDACTED] has just about finished his review and indexing of the Dulles papers and he, [REDACTED] and I agree with [REDACTED] that someone now has to make some substantive decision as to what should be done with the Agency material.

2. While I was away you left a message that we might take this up with [REDACTED] in early October. We all think this would be excellent and would be prepared to work with Jack in sorting this out for final resolution of the problem.
